DANALUBES®

(LUBRICANTS & GREASE DIVISION)

International Exports of Lubricant Oils Grease & Petrochemicals

Base oil Storage Tanks - Manufacturing Plant 2.

Base Oils

50,000 MT of high quality, group I, II, III is exported per year

Petrochemicals

White paraffin oils, Petroleum jelly, Glycols, Amines Solvents, Polymers, Additives are exported globally.

OEM Approved

Our engine oils are approved by OEM demonstrating high quality and reliability

Toll Blending

Bulk Toll Blending for lubricants, greases and marine engine oils and services include packing into bulk, flexi, IBC (Tote tanks), Cans or smaller packages

High End Customized Packing

We custom design and manufacture plastic cans of HDPE quality

Same Week Delivery

Bulk Packings of flexi (24,000 kl) IBC (Tote tanks of -1000 L), Drums (208 L) are made available within 5 days of order for faster dispatch & quick rotation.
